

## Blood Diseases,

When the blood is diseased and the system Anæmic or Scrofulous, it carries sickness through the whole body, for the current of human life is in the blood. This proves how necessary it is to have pure rich blood, because an impoverished condition of it brings on Fevers, Malaria, Rheumatism, Bowel Complaints, Lung Scrofula, General Debility, etc.

## Sans Souci Seaside Resort.

The pleasantest, quietest, shadiest and most perfectly appointed seaside resort on the Islands. It is only four miles from the heart of the city and within easy reach of the tramcars, which run every twenty minutes or oftener. Elegantly furnished detached cottages or rooms are obtainable on easy terms. The table is superior to that of any of the city hotels and all the modern conveniences are provided.

Picnics and bathing parties can obtain extra accommodations by telephoning in advance.

The bathing facilities of Sans Souci are superior to those of any place on the beach.

## THE BOARD OF HEALTH.

## WHAT WAS DONE AT YESTERDAY'S MEETING.

The Matter of Landing Freight on Other Islands Turned Over to the Police.

At the regular meeting of the Board of Health yesterday afternoon, president Smith stated that Japanese and Chinese doctors who had been invited to the cholera hospital, had at last come to the conclusion that the epidemic now in Honolulu was cholera. Previously they had refused to concur in the decision of the majority of white doctors in the city.

The burning of two houses and the confiscation of a lot of dried fish and other suspicious articles was reported to the Board and the action taken approved.

Dr. C. T. Rodgers, J. Marsden, E. O. White, J. L. Torbert, and Geo. Trimbull of Molokai were appointed agents of the Board.

On motion tea and rice bags were placed on the list of articles allowed to be exported.

The regulations of the Central Sanitary Committee in regard to districting the city and prohibiting the change of abode without a permit were approved.

After a desultory talk concerning freight shipments, the departure of the Claudine and travel to and from the valleys, the board adjourned without taking any final action thereon.

## DESCRIPTION AND TERMS:

CREOLE is the gamest, fastest and best bred stallion that has ever been imported into the Hawaiian Islands. He reduced his record of 2:20 to 2:18 in Petaluma, Cal., August 24, 1894, distancing his whole field in the first heat; then again to 2:15 in stockton, Cal., September 23, 1894, winning the first heat in 2:15 1/2, fourth heat in 2:15, and fifth heat in 2:19 1/2, proving that he is a remarkably game as well as a speedy race horse. ("Creole by Prompter out of Grace by Buccaneer shows that he is capable of getting a mark of 2:10 and is one of the gamest stallions seen this year, and besides being game, is one of the best formed, and remarkably intelligent."—Breeder and Sportsman, Sept. 25, 1894.) He is 15 1/2 hands high and of powerful build throughout. His color is glossy black with one white hind foot. His disposition is all that could be desired, and his action superb. He is a sure foal getter.

Terms \$50, with usual return privilege. Will make the season at the
